Communication to all Organisers: Participation of foreign drivers

We wish to remind that Entrants and FOREIGN Drivers who want to take part in national or international Competitions organised in Italy (competitions must be registered to the national or international race calendar) must be in possession of a valid authorisation issued by the ASN of their own Country (ASN is the National Sporting Authority that issues kart licences). Such authorisation must be presented to the Organiser, which shall have the authority to request it. The missing document constitutes a breach of articles 2.3.10 and 3.9.4 of the International Sporting Regulation. Non-compliance of such authorisation results in a penalty by the ACI or FIA Authorities.

Concerning karting competitions remarks are the following:

1. In the entry form of any international competition, the CIK Authority lists the Countries which drivers do not need the authorisation for attending international competitions:

Andorra (AND); Austria (AUT); Belgium (BEL); Switzerland (CHE); Czech Republic (CZE); Germany (DEU); Denmark (DNK); Spain (ESP); Estonia (EST); Finland (FIN); France (FRA); Great Britain (GBR); Hungary (HUN); Ireland (IRL); Italy (ITA); Luxembourg (LUX); Monaco (MCO); Malta (MLT); Netherlands (NLD); Norway (NOR); New Zealand (NZL); Poland (POL); Russia (RUS*); Saudi Arabia (SAU); San Marino (SMR); Slovakia (SVK); Sweden (SWE) and Turkey (TUR).

*for A&B licences only - for CSr&CJr Russian licences a separate authorisation issued by the R.A.F. is needed.

To take part in national competitions, also drivers holding an international license issued by any of the above-mentioned Countries, shall need the authorisation.

2. In order to take part in international and national karting competitions, foreign drivers shall hold an international karting licence (art. 2.3.5 of the FIA International Sporting Regulation). NATIONAL LICENSES ARE NOT ADMITTED, except for drivers holding a national karting license issued by Switzerland or Malta, which according to Art. 2.3.5.a of the FIA International Sporting Regulation can take part in national competitions registered to the national sporting race calendar.
