Subject:
Ball bearings mounted on ROK-Junior ROK- Super ROK engines

CLARIFICATION

Following technical checks and collected information, we inform that **FREE BRANDED** bearings can be employed, but with the following features:

Type	Size	Features	Application
6206.C4	30x16x62	**9 BALLS**	Crankshaft
6005.C4	25x12x47	**10 BALLS**	Countershaft
6302.C4	15x13x42	**7 BALLS**	Countershaft

Therefore, in order to clarify the use of bearings, we specify that the brand is free, but they shall respect the abovementioned features.
Any other type of bearing is NOT ALLOWED.
This mandatory application has IMMEDIATE effect.
