The undersigned requires to hire a Mini Rok engine on the occasion of the Bridgestone Super Cup for the following test session days (indicate the competition of interest):

□ 21-22 February
□ 3-4 April
□ 10-11 October

RENTAL PRICE:

MINI ROK ENGINE SUPPLIED WITH ACCESSORY KIT **255.00 Euro (Vat included)**

The Applicant is responsible for the engine rent, from the time of delivery upon return. The engine complete with accessories and **provided with seal** will be delivered on the Saturday before the race. After the final on Sunday the engine and all accessories must be returned disassembled to the Vorton staff in the parc fermé. Engine and accessories must be delivered clean and in the same condition in which they were delivered (undamaged). It is not allowed for any reason to break the seal; in the event the seal must be broken the only person authorized to do so is the Vorton attendant, which at its discretion, and in full agreement with the Technical Scrutineers, will decide how to proceed.

Once returned to the engine, the Vorton staff will check the status (accessories included), thus reserving the right to charge any costs of repair/replacement of spare parts to the Applicant, in case of: break or failure or inadequate care and maintenance of the chassis or for damage caused by improper use of the engine or damage caused by an accident.

Upon delivery of the engine an identity paper will have to be provided; it will be retained as a deposit and given back upon return of the engine.
